NEW FOR 2026 - A horse scratched from the 8 post position for any reason will be assigned the 8 post position in its next start at Pocono if it races within 14 days from the date of the scratched race date; even if it races one or multiple starts at another track. Upon returning to Pocono it will have the 8 post position. If there is a full 14 days before the horse races again, this rule does not apply. This will also not apply to horses that have shipped in on race day and are subsequently scratched or horses scratched in paid-in events, such as stakes and closers.

Horses claimed here will not be allowed outside of Pennsylvania for a full 60 days. NO exceptions - not even for possible entry in closers at other tracks or amateur events..
